This section applies when a claim is pending or while benefits are being paid. We also have the right to request an autopsy in the case of death, unless the law forbids it. We will pay the cost of the examination or autopsy.

Legal Actions: No lawsuit or action in equity can be brought to recover on this Policy: (1) before 60 days following the date proof of loss was given to Us; or (2) after 3 years following the date proof of loss is required.

ADMINISTRATIVE PROVISIONS

Premiums: The premiums for this Policy will be based on the rates currently in force, the plan and amount of insurance in effect.

Changes In Premium Rates: We may change the premium rates from time to time with at least 31 days advanced written, or authorized electronic or telephonic notice. We reserve the right to change rates at any time if any of the following events take place.

1. The terms of the Policy change.
2. A division, subsidiary, affiliated organization, or eligible class is added or deleted from the Policy.
3. Any federal or state law or regulation is amended to the extent it affects Our benefit obligation.
4. There is a change in the market factors or factors bearing on the risk assumed.

If an increase or decrease in rates takes place on a date that is not a Premium Due Date, a pro rata adjustment will apply from the date of the change to the next Premium Due Date.

Payment of Premium: The first Premium is due on the Policy Effective Date. If any premium is not paid when due, the Policy will be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Policy Grace Period: A Policy Grace Period of 31 days will be granted for the payment of the required premiums. The Policy will remain in force during the Grace Period. If the required premiums are not paid during the Policy Grace Period, insurance will end on the last Premium Due Date on which required premiums were paid. The Policyholder will be liable to Us for any unpaid premium for the time the Policy was in force.

GENERAL PROVISIONS

Entire Contract; Changes: The Policy, the application of the Policyholder, a copy of which is attached, endorsements, riders, and the application or participation agreement with the Participating Organization and

attached papers constitute the entire contract between the parties. If an application of a Plan Participant is required, the application of any Plan Participant, at Our option, may also be made a part of this contract.

All statements made by the Policyholder, Participating Organization, or by a Plan Participant are deemed representations and not warranties. No such statement will cause us to deny or reduce benefits or be used as a defense to a claim unless a copy of the instrument containing the statement is or has been furnished to such person; or, in the event of his death or incapacity, his beneficiary or representative. After 2-years from the Plan Participant's effective date of coverage, no such statement, except in the case of fraud or with respect to eligibility for coverage, will cause such coverage to be contested.

No change in the Policy will be valid until approved by one of Our executive officers. This approval must be endorsed on or attached to the Policy. No agent may change the Policy or waive any of its provisions.

Workers' Compensation Insurance: The Policy is not in lieu of and does not affect any requirement for coverage under any Workers' Compensation Insurance.

Policy Effective Date and Termination Date: The Policy begins on the Policy Effective Date shown on page 1 of the Policy. We may terminate this Policy by giving 31 days advance notice in writing (or authorized electronic or telephonic means) to the Policyholder. The Policyholder may terminate this Policy on any Premium Due Date by giving 31 days advance written (or authorized electronic or telephonic) notice to Us. This Policy terminates automatically on the earlier of: 1) the last day of the Policy Term; or 2) the Premium Due Date if Premiums are not paid when due.

Clerical Error: Clerical error in keeping any records pertaining to the coverage, whether by the Policyholder or by the Company, will not invalidate coverage otherwise validly in force nor continue coverage otherwise validly terminated, provided such clerical error is not prejudicial to the Company and is rectified promptly upon discovery

Examination Of Records and Audit: We shall be permitted to examine and audit the Policyholder's books and records at any time during the term of the Policy and within 2 years after the final termination of the Policy as they relate to the premiums or subject matter of this insurance.

EVIDENCE OF COVERAGE: Where it is required by law, or upon the request of the Policyholder, an Evidence of Coverage of insurance will be delivered to the Participating Organization for delivery to each Plan Participant. Each Evidence of Coverage will list the benefits, conditions and limits of the Evidence of Coverage. It will state to whom the benefits will be paid.

ASSIGNMENT: No assignment of interest in loss of life benefits shall be binding on the Company until the original or duplicate thereof is received by the Company. The Company assumes no responsibility for the validity of such assignment.

INSOLVENCY: The insolvency, Bankruptcy, financial impairment, receivership, voluntary plan of arrangement with creditors, or dissolution of the Policyholder will not impose upon the Company any liability other than the liability defined in the Policy. The insolvency of the Policyholder will not make the Company liable to the creditors of the Policyholder, including Plan Participants under the Policy.

WAIVER: Failure of the Company to strictly enforce its rights under the Policy at any time or under any circumstance shall not constitute a waiver of such rights by the Company at any time under the same or different circumstances.

SANCTIONS: The Company shall not be deemed to provide coverage nor be liable to pay any claim or provide any benefit under this Policy to the extent that the provision of such coverage, payment of such claim or provision of such benefit would expose the Company to any sanction, prohibition or restriction, including under United Nations resolutions, or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

DISCLOSURES:

Note: This insurance is not subject to and does not provide certain insurance benefits required by the United States' Patient Protection and Affordable Care Act ("PPACA"). Tax penalties may be imposed on U.S. residents or citizens who do not maintain minimum essential coverage, and on certain employers who do not offer PPACA compliant insurance coverage to their employees. In some cases, certain individuals may be deemed to have minimum essential coverage under PPACA even if their insurance coverage does not provide all of the benefits required by PPACA. You should consult your attorney or tax professional to determine whether the policy meets any obligations you may have under PPACA.
