Participant Plan Guide

What does the CISI plan cover?

The CISI Plan is designed specifically for cultural exchange participants. Not only does the plan provide accident and sickness insurance, it also covers medical evacuation and repatriation as well as security evacuations should they become necessary. And unlike many domestic insurance plans, the CISI plan will pay 100% of covered expenses without requiring a deductible.

In addition to the above, the Team Assist Plan was designed by CISI in conjunction with the Assistance Company to provide travelers with a worldwide, 24-hour emergency telephone assistance service. Multilingual help and advice may be furnished for the insured in the event of any emergency during the term of coverage. Learn more about your CISI plan specifically designed for Boston College travel abroad participants in this guide. You can also visit CISI's Boston College webpage: <https://culturalinsurance.com/boston/>.

How do I use my CISI? Minor Injury or Sickness

Locating a Provider

To locate a provider overseas, you can do either of the following:

- 1) Contact the assistance team (**AXA Assistance**) by calling the number on your insurance ID card;
OR
- 2) log into your **myCISI Participant Portal** or through the **CISI Traveler App** and click on **'Provider Search'**. Select your Country and City, and a list of providers will populate.

Schedule an Appointment

Call the provider to schedule an appointment. If you need assistance, **AXA Assistance** can help.

Are there 'In-Network' or 'Out-of-Network' restrictions?

No, you can seek treatment at any medical facility abroad. There are no In-Network nor Out-of-Network restrictions.

Who pays at the time of visit?

Be prepared to pay for doctor visits for minor illnesses such as a sore throat or a sinus infection. Present your card to your medical provider at the time of service. If the overseas doctor is willing to bill us directly, we are willing and able to pay them directly for covered medical expenses. Foreign providers can contact your assistance team (**AXA Assistance**) toll-free to verify eligibility and/or benefits 24/7/365. If they prefer to have you pay for any medical services, medicines, or equipment out-of-pocket at the time of your visit, hold onto all documents, bills and receipts, and submit them along with a claim form to CISI for reimbursement.

Does my plan have a Deductible?

No there is no Deductible on this plan.

Prescription Medication

If a doctor prescribes a medication, you will pay out-of-pocket at the pharmacy. As long as the medication is for sickness or injury that is covered under your plan, you can submit a claim for reimbursement. Make sure to hold onto any receipts and prescription medication receipts so you can include those with your submission. See the Claims section of this guide for more information.

Emergency Care Inpatient Care/Serious Accident

For all emergencies, seek help without delay at the nearest facility and then, after admittance, open up a case with AXA Assistance (our 24/7 assistance provider). Our goal is to have the hospital or facility bill us directly. If personal payment has already been processed, we can expedite reimbursement. CISI has the ability to pay by check or wire transfer to foreign hospitals when necessary/requested. AXA Assistance is also able to guarantee/make payments when necessary (CISI then reimburses AXA Assistance).

Security Evacuation

Check-in Feature - 'Are you safe?'

Please Note: You do not have to '**Check-in**' if nothing has occurred. You will only want to check-in when you want to notify your program and us that you are safe if there is a natural disaster, terrorist attack, civil unrest, or another security-related incident.

COVID-19 Frequently Asked Questions (FAQs)

What is CISI's position on testing for COVID-19?

CISI policies will cover COVID-19 testing if those tests are recommended as a part of the course of treatment by a treating physician. That is, COVID-19 tests will be covered if the traveler has shown symptoms that would cause a licensed physician to request the test in order to discern the best course of treatment. *Testing will also be covered in limited situations if there has been a clear exposure to someone with COVID-19 and a doctor or health official has declared that the traveler has been exposed and needs to be tested. CISI policies do not generally cover preventative or routine care. Practices that would be considered preventative or routine would include: (1) a country requiring a test as a condition of entry, (2) a program or institution requiring a test as a part of the enrollment or arrival process, (3) a traveler choosing to be tested for their own peace of mind.

What support does CISI provide related to COVID-19?

CISI continues to monitor COVID-19 alerts and advisories. We also continue to provide products and services to assist our market as our clients prepare for safe travel to resume. The international travel landscape is changing rapidly, and CISI can help you maneuver through the various alerts, warnings, and regulations regarding your program's travel needs.

Should I travel abroad while there is a risk of exposure to COVID-19?

The risk of exposure to COVID-19 is present abroad, just as it is present within the United States. CISI recommends a careful review of the current threat level of your intended destination(s) and appropriate precautions during your travel. The State Department maintains a list of worldwide Travel Advisories here. CISI is continuing to offer substantial coverage options for clients who do move forward with travel programs, or who have individual travelers abroad, or who have international campuses. Full medical coverage is available for COVID-19. Full medical evacuation benefits are available for COVID-19. Full benefits are also available for repatriation/return of mortal remains. Questions on how additional travel-related benefits related to your policy may apply to pandemics should be directed to your program or CISI staff.

Am I covered if I become sick with COVID-19 during my trip?

CISI's medical provisions under the policy are unchanged so all of the various medical and travel benefits that were present in CISI policies continue to be available. Travelers who become sick with COVID-19 have medical coverage available. Benefits relating to medical evacuation and return of mortal remains are also unchanged.

*Declared Exposure: Treatment may be possible without showing symptoms in limited cases where exposure has been declared. That is, if there has been a clear exposure to someone with COVID-19 and a doctor or health official has declared that the traveler has been exposed and needs to be tested or treated.

Am I covered if I need a medical evacuation for COVID-19 during my trip?

If a traveler becomes ill with COVID-19 and a medical evacuation is necessary, that evacuation will be covered. The provisions of the policy relating to medical evacuation are unchanged.

Am I covered if I want to cancel my travel plans because of COVID-19?

Most ancillary travel benefits under CISI policies are not triggered at the election of the traveler. Instead, these benefits include a specific set of triggers and those provisions are described in detail in the policy brochure. Questions on how specific non-medical benefits on your policy may apply to the current COVID-19 crisis should be directed to your program or CISI staff.

As a part of CISI's effort to target the COVID-19 crisis, we are now offering a CANCEL FOR ANY REASON / INTERRUPT FOR ANY REASON package called WORLDWIDE TRIP PROTECTOR PLUS. This coverage may be purchased by travelers to bolster their existing coverage. There is no pandemic or epidemic exclusion written into this package, so this coverage will provide an added layer of protection for COVID-19 (or for any other similar emergencies in the future). Visit www.mycisi.com for details.

Am I covered if the program I am attending is cancelled or closes early due to COVID-19?

Most ancillary travel benefits under CISI policies include a specific set of triggers which must occur in order for benefits to be provided. Those provisions are described in detail in the policy brochure. Questions on how specific non-medical benefits on your policy may apply to the current COVID-19 crisis should be directed to your program or CISI staff. As a part of CISI's effort to target the COVID-19 crisis, we are now offering a CANCEL FOR ANY REASON / INTERRUPT FOR ANY REASON package called WORLDWIDE TRIP PROTECTOR PLUS. For information regarding COVID-19 prevention, visit the CDC's guidelines for the prevention of coronavirus. Travelers are also encouraged to visit travel.state.gov to view individual Travel Advisories for the most urgent threats to safety and security.
