## Au Pair Insurance FAQ

### How do I find a Medical Provider?

*Medical Provider refers to a doctor, urgent care, or other medical facility.*

**▶ To find a doctor** please use our new Aetna Search Tool by visiting [www.aetna.com/docfind/custom/passport](http://www.aetna.com/docfind/custom/passport)

### I lost my Insurance Card. How do I get a new one?

Log into your myCISI portal and download all of your insurance materials. The best part is you can save it to your mobile device via the CISI Traveler App.

### I'm nervous about the \$500 Emergency Room deductible. What if I get sick?

Familiarize yourself with Urgent Care options in your area on the Aetna search page. Urgent Cares are common medical facilities that have extended hours, accept walk-in patients and treat much of what an Emergency Room would, without the extra deductible.

If your condition is more severe and requires an ambulance, referral from a medical professional to the Emergency Room or inpatient hospitalization, you will not be responsible for the \$500 deductible.

Any injury is always considered an emergency. If you are injured and feel that you need emergent care at an Emergency Room, you will not be charged the \$500 deductible.

### What is a Deductible?

The Deductible is the amount you have to pay before your benefits 'kick-in' (before insurance pays). Your plan has a \$50 Deductible per occurrence and a \$500 Emergency Deductible for sickness only. *The Emergency Room Deductible will be waived if you are admitted to the Hospital as an inpatient.*

### Who is my PPO?

Aetna is your Preferred Provider (PPO) Network and allows access to over 1.2 million medical providers throughout the United States.

### What is 'In-Network' and 'Out-of-Network'?

The providers within Aetna's network are known as 'In-Network' Providers. If you go to a Medical Provider Out-of-Network, you may be required to pay more out of pocket. Arranging services through a preferred provider is not required, but will help reduce any potential out-of-pocket expenses.

### Will this insurance cover the purpose of my visit?

If you are unsure if this insurance will cover your appointment, view your plan's coverage outlined in the brochure. If you have specific questions that you are unsure of, call CISI.

### I need to fill a prescription. What's my BIN or Rx?

You can utilize the WellRx to receive discounts on medications. Present your insurance ID card at the pharmacy to receive a discount when paying. **The BIN and Rx information is located in the bottom left corner of your insurance card**, or download the card via: <https://www.wellrx.com/prescription-discount-card/>.

## I had to pay for my medication. Can I be reimbursed?

As long as the medication is for an illness or injury that is covered under your policy, you can be reimbursed. Complete a claim form and state clearly why you needed the medication. Submit the completed claim form with the prescription receipt to CISI.

## What is a prescription receipt?

This is usually stapled to the outside of your pharmacy bag when you pick up your medication. If it has the following information, it's a prescription receipt!

- Your Name
- Your Doctor's Name
- Name of Medication
- Dosage of Medication
- Date Medication Filled
- Amount of Medication

## I received a bill from a medical provider. What do I do?

1. Does the bill include your insurance information? If not, you may just have to provide it to them.
2. On the back of the bill or by logging into their website, there is room for you to fill in your insurance information and send it back to them.
3. Once the medical provider has this information, they can send CISI a bill.
4. The bill may be for your deductible or copay. Review the charges and see if CISI made a payment on your behalf. The balance may be your responsibility.

## Can I send the bill to CISI?

Yes, but you should also give your insurance information to your medical provider. Email a copy to us at [claimhelp@mycisi.com](mailto:claimhelp@mycisi.com) and complete the insurance information and send back to the medical provider.

## I got a letter from CISI asking for an itemized bill - What is this and do I have to do anything?

This means that we need a certain type of bill from the medical provider. If you received the letter, we have sent one to the medical provider as well. However, it does speed things up if you call to request an itemized bill and forward it to CISI. This should ensure that we get what is needed to pay your claims.

## I got an Explanation of Benefits - What is this?

This is a statement that CISI sends you when we make a claim payment on your behalf. This shows how much your policy covers and what, if any, cost you should pay to the medical provider.

## Questions about the benefits and coverages outlined in the brochure?
